

Danning Liang

Product & User Experience Designer

<https://www.danning.org/>

dliang0709@gmail.com

EDUCATION

Harvard University

Graduate School Of Design | 2022 - 2024

Courses: Intro To Computation Design;
Transformable Design

Massachusetts Institute of Technology

Cross Registration | 2022 - 2023

Courses: Product Design and Development;
Computing Fabrics; Electronic Project Labs

Rhode Island School Of Design

BFA Industrial Design | 2018 - 2022

SKILLS

Physical Prototyping

CAD (Solidworks, Rhino, Fusion 360)

Rendering (Keyshot, Photoshop)

PCB Design

Packaging Design

Soft Goods Design

Precision Machining; 3D Printing;

Laser Cutting; Woodworking

UI/UX

User Research

Figma, Adobe XD, Sketch

Wireframing

Adobe Design Suite (Illustrator, InDesign)

Web Design (HTML, CSS, Javascript)

Other

Brand Design

Interdisciplinary Collaboration

Visual/Verbal Communication

Exhibition

Adaptive Ecologies: Building on Nature's Blueprint

RISD&Hyundai Research Collaborative | 2021

"Decentralized Mobile Services Among Reconfigurable City Blocks"

Introductory To Computation Design Exhibition

Harvard Graduate School of Design | 2022

"Sound Facade"(Most Playful/Fun Project Award)

EXPERIENCE

Product Design Intern

Reekon Tools | 2022

Work closely with the engineering and design team on physical/software product R&D. Conceptualize, sketch, and build physical mockups, perform user testings, and conduct market research.

Design Researcher

Hyundai-RISD Research Collaborative | 2021

Through the research of natural systems and constructing analytical models, we developed speculations, strategies, and structural systems for the future of mobility-centric urban systems.

Crowdfunding Strategist/Brand Designer

PolyCharge | 2021

Work with the designer of PolyCharge Powerbank to raise a crowdfunding campaign, receiving support from 129 backers and raising \$30,000.

Product Design Intern

Clocky | 2020

Work with the physical product R&D. Conduct competitive market analysis, develop concept sketches and 3D models.

Content/UI/UX Designer

Relayto/Document Experience&Analytics | 2021

Create content flow for microsities and convert static PDF for clients into interactive online experiences.
